# 2nd Unlocking REVENUE AND SUSTAINABILITY: EXPLORING CARBON CREDIT Opportunities IN THE PALM OIL INDUSTRY 2025 ASEAN Biomass in Focus

5 - 6 December 2025 (Conference and Exhibition)  
Resorts World Awana, Genting Highland

**HRDCORP  
CLAIMABLE**  
(FOR MALAYSIANS)

Seminar Registration:

## WHO SHOULD ATTEND

### Oil Palm Industry Supply Chains

- Oil palm plantation owners  
(Peatland management & fertilizer optimization)
- Palm Oil Mill Operators  
(Agricultural waste-to-energy, POME conversion to biofertilizers, biogas-to-energy, biochar and biomass production)
- Palm Oil Refineries  
(Carbon Capture and Storage of refining process, biofuel production)
- Technology Providers  
(Precision agriculture, biofertilizer, biogas, biochar and biomass, biofuel and CCS)
- Oil Palm Industry Policy Leaders & Experts

### Carbon Market

- International and ASEAN Carbon Market Authorities & Experts
- Malaysian Carbon Policy Leaders and Decision-Makers
- Financial Institutions
- Corporate Net-Zero Pledges
- ESG and Carbon Consulting Experts
- Carbon Project Developers
- Technology Experts & Providers
- International Carbon Compliance Standards/Certification Protocols, Validation & Verification Bodies (VVBs), Carbon Rating Experts
- Compliance and Voluntary Market's Buyers & Traders, and Carbon Exchange Platforms

## KEY TAKEAWAYS

**Global and Regional Carbon Markets:** Gained insights into global and regional carbon market opportunities, including the potential and regulatory frameworks of cross-border carbon trading, enabling ASEAN palm oil players to effectively seize these opportunities.

**Upstream Oil Palm Carbon Credits:** Learned from success case studies on generating high-quality carbon credits through effective plantation, soil management, and fertilizer practices in the upstream oil palm sector.

**Downstream Oil Palm Carbon Credits:** Explored success case studies on producing carbon credits via innovative downstream oil palm initiatives, such as biomass, biochar, biogas, and other waste-to-energy biofuel strategies.

### CONFERENCE ADMISSION & NETWORKING DINNER PACKAGE

- ▶ A registration fee of **RM1,950 (for Malaysians) or USD600 (for Internationals)** entitles participants to full attendance of the seminar, seminar materials, refreshments, lunches, and the networking dinner.
- ▶ The ASEAN Biomass and Carbon Credit Networking Dinner will be held on Saturday, 6th December 2025.
- ▶ A group registration of at least five (5) participants enjoys a 5% discount.
- ▶ Early bird (1 April – 1 October 2025): **RM1,950 or USD600**
- ▶ Standard (2 October – 24 November 2025): **RM2,200 or USD650**
